Uno Charter School

Client
F.H. Paschen

Location
Chicago, IL

Architect
Urban Works

Engineer
dbHMS

IMI contract amount
\$549,600

Completion
2010

IMI was awarded a Design/Build contract for the installation of a state of the art, solar thermal cooling and domestic water heating system. The project, a first of its kind in the area, consisted of 90 solar thermal panels, a 10 ton water fired single effect absorption chiller and all of the ancillary equipment, piping and supports. The custom panels were constructed in Chicago, by Solargenix Energy.
